

Tenant services

1. We create a profile that will help us find the type of property that best suits your taste, budget, and needs.
2. Knowing your needs and with our expertise, we advise you and highlight aspects that you may not have considered.
3. We present you with the available properties.
4. We contact a network of partners if we don't have what you're looking for.
5. We provide complete information about each property, including photos, features, availability, and rental conditions.
6. Visit to the selected properties, advising on them and answering your questions.
7. Assist the tenant in drafting and signing the rental contract, ensuring that all terms are clear and in accordance with the law.
8. Legal advice on tenant's rights and obligations, as well as any aspect related to the rental contract.
9. We conduct a detailed inventory.
10. We hand over the keys, answer your questions, and take photographs of the condition of the property.
11. Processing the account holder change for utilities.
12. Through our partners, we help you process the tenant's home insurance to protect your belongings.
13. We provide information on local services such as schools, healthcare, public transport, sports activities, etc.
